RECOMMENDATION FOR DAY & NIGHT AIR CONDITIONING, HEATING & PLUMBING

To Whom It May Concern:

I have known Jeff Martin, the owner of Day & Night Air Conditioning, on a personal and professional level for the past 13 years. Our company has provided workmen's compensation and general liability insurance to Day & Night and has found them to be an honest and reputable company that is a pleasure to represent.

Day & Night Air Conditioning, Heating & Plumbing also takes care of our company's air conditioning and plumbing repairs. Their response time is very fast - always same day service when we are not cooling or heating. I have found their technicians to be honest and fair. They never try to sell me a repair that is not necessary. I appreciate that they always give me an honest assessment of my air conditioning unit so that I may plan appropriately for future repairs.

I know Jeff to be a good family man as well as an honest business man, and I highly recommend him to the Better Business Bureau for the honor of the Ethics Award.

Sincerely,
